

Purvis Industries is growing! We are seeking a Financial Analyst to provide accurate and data-based information on company's profitability, solvency, stability and liquidity. Job functions include, but are not limited to:

- Coordinate with Chief Financial Officer on fiscal impact of day-to-day business and special projects.
- Analyze financial data by collecting, evaluating, monitoring financial information on a branch by branch basis as well as the company overall
- Improve financial performance by identifying trends and recommending actions when needed.
- Examine financial data looking for profit leaks and providing recommendations to reduce/eliminate such leaks
- Access branch accounting operations for areas of improvement and work within organization on implementation of improvements.
- Develop internal controls to reduce risk and control inventory and costs.
- Work with Purchasing/Inventory Department on productivity of branch and corporate inventory.
- Work with Branch and Regional Managers regarding findings and recommendations
- Work with CFO, and other Vice Presidents, Directors and Managers on operational expenses to ensure maximum costs benefit.
- Work with President, other Vice Presidents, Regional and Branch Managers on financial aspects of their areas of responsibilities.

Requirements:

- Proven working experience as a finance analyst
- Proficient in spreadsheets, databases, MS Office and Epicor (required)
- Hands on experience with statistical analysis and statistical packages
- Outstanding presentation, reporting and communication skills
- Proven knowledge of financial forecasting and diagnosis, corporate finance and information analysis
- Well informed in current financial subjects, accounting, tax laws, money market and business environments
- BS degree in Finance, Economics or related field preferred.

Purvis Industries has a professional work environment and offers a competitive compensation package including medical, dental, vision and various voluntary insurance plans, vacation, and 401k Plan.
