

CUSTOM ENCLOSURES

Done Quickly,
and Done Right!!!

- Ease of quoting
- Speed of delivery
- Expedite service available
- Top tier brands
- Wide range of standard options
- Sizes from 1/2 to 500 horsepower

AUTOMATED CUSTOM ENCLOSURE SYSTEM

ACES stands for the Automated Custom Enclosure System – Purvis’ new tool to quick quote and quick ship simple, custom motor enclosures. With ACES, you choose your motor control type, voltage, and horsepower, and then select from a wide array of options such as enclosure, disconnect, and controls! The ACES system does the rest, and reduces your quoting time to mere minutes for standard options.

INDUSTRIAL AUTOMATION

CONTROL PRODUCTS

Purvis offers a complete line of ABB controls products

- Distributed Control Systems
- Programmable Logic Controllers
- Human Machine Interface
- Chart Recorders
